

Further Information

Norpro Training Ltd has evolved from the training delivery which was originally offered from North Prospect Garage Project, and has been delivering vocational qualifications to young people for over 10 years. Our core curriculum of qualifications includes Motor Vehicle Mechanics, Carpentry, Marine Engineering and Fabrication & Welding. Norpro Training is a registered charity and delivers training from two sites, which are North Prospect Garage Project on Ham Drive and Blagdons Boatyard in Devonport. At present we deliver vocational training programmes to young people aged 14 – 19 years on behalf of Plymouth secondary schools.

Mission Statement

"Inspiring people to want to learn"

"At Norpro Training we believe that every individual has the ability to learn regardless of circumstance and disadvantage. The mission of Norpro Training is to promote its charitable purposes by providing up to date technically advanced educational services that allow all individuals to experience learning success and become life-long learners and contributing members of their community".

Aims & Objectives

1. To advance the education and training of the persons aged between 14 and 25 years, primarily resident in the area of benefit, particularly in motor vehicle mechanics and life skills.
2. To provide a garage workshop and other facilities to advance the interest of social welfare with the object of improving conditions of life in the wards of Ham and Trelawny and also in the City of Plymouth.
3. To enhance and promote employment opportunities, work experience opportunities, and training and education including training skills relevant to securing employment for local residents within the area of benefit.
4. To assist in the relief of the effects of social and economic deprivation and social exclusion in the area of benefit.
5. To promote such other charitable purposes as further the objects of the company.
