Course code: 500/4042/X – 500/7778/8

Cost of Course: TVC Catalogue

Entry Requirements:

There are no entry requirements; this course is for complete beginners. People with limited amount of knowledge on the subject may join this course or use to upgrade their knowledge. However, minimum age of entry is 16 years.

Course Description

Learn to use a range of carpentry techniques & learn safe working practices to complete a small project: Techniques that you will cover include:

- Knowledge of building methods and construction technology
- Maintain & use carpentry hand tools
- Produce & use basic woodworking joints

Personal & Social Development – units will include:

- Developing self.
- Dealing with problems in daily life.
- Environmental awareness.
- Individual rights and responsibilities.
- Preparation for work.

How will the course be delivered?

This is a practical course and the sessions will include tutor-led demonstrations, instruction, online tests, phase tests, written work and repetition.

Will I need to study or practice outside the classroom?

It is always useful to practice your skills learned between sessions.

How will I know I'm making progress?

During the first session the tutor will discuss goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your ILP

What will I need for the course?

Please come prepared with a note pad, pen and pencil. Any Personal Protective Equipment required will be supplied by Norpro Training.

Progression

Progression will be into the Level 2 Carpentry course, an apprenticeship scheme or employment. Look out for information regarding follow -on courses and other courses we provide. Visit our website at www.norprotraining.co.uk or contact us on 01752 559426

Please note:

Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases an alternative class at a different location may be offered.
