	Start Time:	09.30
	End Time:	15.30

PL1 4LN

Awarding Body: City & Guilds  
Cost of Course: TVC Catalogue

---

### Entry Requirements:

Most have completed a Level 1 qualification in Marine Engineering, or must have relevant experience, knowledge of the marine engineering industry. Minimum age of entry is 16 years.

### Course Description

The aim of this qualification is to offer students aged 16 yrs and above a flexible range of units. The units have been tailored into a specialized learning package in an area of interest that delivers the foundations of Engineering. Units are as follows:

- Principles of boat building technology.
- Interior installation & fitting out of boats.
- Yachts & boatbuilding & sub assembly.

### How will the course be delivered?

This is a practical course and the sessions will include tutor-led demonstrations, instruction, online tests, phase tests, written coursework and repetition.

### Will I need to study or practice outside the classroom?

It is always useful to practice your skills learned between sessions.

### How will I know I'm making progress?

During the first session the tutor will discuss goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning

plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your ILP.

**What will I need for the course?**

Please come prepared with a note pad, pen and pencil. Any Personal Protective Equipment required will be supplied by Norpro Training.

**Progression**

Progression is into the Level 3 Marine Engineering qualification, an Apprenticeship Scheme or employment. Look out for information regarding follow -on courses and other courses we provide. Visit our website at [www.norprotraining.co.uk](http://www.norprotraining.co.uk) or contact us on 01752 559426

**Please note:**

Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases an alternative class at a different location may be offered.
