Venue:	Start Date:	September
North Prospect Garage Project	End Date:	July
30, Ham Drive	Day(s):	Thurs/Fri
North Prospect	Start Time:	09.30
Plymouth	End Time:	15.30
Devon		

PL2 2NL

Awarding Body: IMI Awards
Cost of Course: TVC Catalogue

Entry Requirements:

To have completed a Level 1 qualification in motor vehicle studies, or to have working knowledge and experience of the motor trade. However, minimum age of entry is 16 years.

Course Description

If you are interested in working within engineering as a vehicle accident repair technician, then this is the place to start. This course will cover the foundation principles of:

- Health & Safety.
- Knowledge & skills of Materials, fabrication, Tools & measuring Devices used in the automotive environment.
- Knowledge & skills of removing & fitting Vehicle mechanical components.
- Knowledge & skills of removing & fitting Trim components.

How will the course be delivered?

This is a practical course and the sessions will include tutor-led demonstrations, on line tests, phase tests, course work, instruction and repetition.

Will I need to study or practice outside the classroom?

It is always useful to practice your skills learned between sessions.

How will I know I'm making progress?

During the first session the tutor will discuss goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your ILP

What will I need for the course?

Please come prepared with a note pad, pen and pencil. Any Personal Protective Equipment required will be supplied by Norpro Training.

Progression

Progression can be into an apprenticeship scheme within the engineering sector, employment or further training. Look out for information regarding follow -on courses and other courses we provide. Visit our website at www.norprotraining.co.uk or contact us on 01752 559426

Please note:

Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases an alternative class at a different location may be offered.
