Fabrication & Welding Practice Level 1+2

Venue:

North Prospect garage project
30 Ham Drive
North prospect
Plymouth
Devon
PL 2 2NL

Start Date:	September
End Date:	July
Day(s):	Mon/Wed
Start Time:	09.30
End Time:	15.30

Awarding Body: ABC

Cost of Course: TVC Catalogue

Entry Requirements:

There are no entry requirements; this course is for complete beginners. People with limited amount of knowledge on the subject may join this course or use to upgrade their knowledge. However, minimum age of entry is 16 years.

Course Description

The aim of this qualification is to offer learners aged 16 yrs and above a flexible range of units. The units have been tailored into a specialized learning package in an area of interest that delivers the basics of Fabrication & Welding.

- Engineering Environment Awareness
- Engineering Principles
- Engineering Techniques
- Manual Welding Techniques
- Produce components from sheet metal & metal Plate

How will the course be delivered?

This is a practical course and the sessions will include tutor-led demonstrations, online tests, phase tests, course work, instruction and repetition.

Will I need to study or practice outside the classroom?

It is always useful to practice your skills learned between sessions.

How will I know I'm making progress?

During the first session the tutor will discuss goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your ILP.

What will I need for the course?

Please come prepared with a note pad, pen and pencil. Any Personal Protective Equipment required will be supplied by Norpro Training.

Progression

Progression is into an Apprenticeship Scheme in the engineering sector, employment or further training. Look out for information regarding follow-on courses and other courses we provide. Visit our website at www.norprotraining.co.uk or contact us on 01752 559426.

Please note:

Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases an alternative class at a different location may be offered.
