30, Ham Drive	Day(s):	Mon/Wed
North Prospect	Start Time:	09.30
Plymouth	End Time:	15.30
Devon		

PL2 2NL

Awarding Body: IMI Awards  
Cost of Course: TVC Catalogue

---

### **Entry Requirements:**

It would be beneficial to have some previous Level 1 qualification in motor vehicle studies, or have working knowledge and experience of the motor industry trade. People with limited amount of knowledge on the subject may join this course or use to upgrade their knowledge. However, minimum age of entry is 16 years.

### **Course Description**

If you are interested in working within engineering as a motor mechanic, then this is the place to start. This course will cover the foundation principles of:

- Health & Safety
- Knowledge & Skills for the body repairs
- Removing & fitting body panels
- Minor repairs
- Resistance spot welding

### **How will the course be delivered?**

This is a practical course and the sessions will include tutor-led demonstrations, instruction, online tests, phase tests, course work and repetition.

### **Will I need to study or practice outside the classroom?**

It is always useful to practice your skills learned between sessions.

### **How will I know I'm making progress?**

During the first session the tutor will discuss goals and current level in relation to the course. Based on this assessment, you will agree individual targets which you will record in your individual learning plan (ILP). You and your tutor will review your targets regularly to ensure that you are making progress; these will be written in your ILP

### **What will I need for the course?**

Please come prepared with a note pad, pen and pencil. Any Personal Protective Equipment required will be supplied by Norpro Training.

### **Progression**

Progression will be onto the Level 3 qualification in light vehicle repairs, apprenticeship scheme within the engineering sector, employment or further training. Look out for information regarding follow-on courses and other courses we provide. Visit our website at [www.norprotraining.co.uk](http://www.norprotraining.co.uk) or contact us on 01752 559426

### **Please note:**

Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. In some cases an alternative class at a different location may be offered.
